

We have some important news to share with you!

After many wonderful years serving the Big Lake community, **we will be closing operations at our Advanced Styling location effective October 23rd, 2025.**

While this decision was difficult to make, it was necessary in order to focus our time and resources on providing quality and expert care to our clients as we expand in our Hopkins, Minnesota, and Berthoud, Colorado markets.

We sincerely apologize for any inconvenience this may cause; however, we will have increased availability at our Hopkins location due to this shift - including some weekends. Our Hopkins location also offers a larger range of services such as RF Microneedling, Erbium laser, and full Esthetician services.

Our amazing team, many of whom you've met over the years, looks forward to welcoming you to our Hopkins location with the same warm care, personalized treatments, and commitment you've always known us for.

Here's what you need to know:

- **Ally Lidtke, our Lead RN, will be seeing clients at our Big Lake location 2 final times.**
Her availability is first-come, first-served and is as follows:
 - **October 2nd from 10 am - 2:30 pm**
 - **October 23rd from 10 am - 6 pm**
 - All appointments after October 23rd, 2025, will be booked for and held at our main clinic - located at 913 1st St. N, Hopkins, MN 55343.
 - If booking online, please be sure to select the correct location.
- Your memberships and treatment credits (if you have any remaining) will transfer seamlessly through our Aesthetic Record portal.
- Our contact information and website/online booking remain the same.
Call/text us at **612-895-5895**, email us at AdvancedPracticeAesthetics@gmail.com, or click the **"Book Now" button at the top of our website**,

We want to sincerely thank you for being such a special part of our journey. It's because of clients like you that we've been able to grow, evolve, and take this next step forward.

We can't wait to see you and continue helping you look and feel your very best!

With gratitude,
Ann Marie, Josh & the Advanced Practice Aesthetics Team"
